ISO 9001:2015 Quality Management System - Auditor Transition Course

Overview

This course is specifically designed for auditors who are planning to migrate from ISO 9001:2008 to ISO 9001:2015. Upon successful completion of this course, delegates will gain knowledge and understanding of Annex SL and ISO 9001:2015.

Course Objectives

- Identify key changes between ISO 9001:2008 and ISO 9001:2015
- Understand what needs to be revised in your current QMS
- Appreciate the significance of organisational context and adopting a risk-based approach
- Grasp the application of risk-based thinking, leadership and process management
- Explain new requirements in Annex SL (Appendix 2) relating to organisational context, planning and support
- Prepare, conduct and develop the required skills for an ISO 9001:2015 audit
- Build stakeholder confidence by leading and managing teams and processes in line with the latest requirements
- Grasp the application of risk-based thinking, leadership and process management
- Build stakeholder confidence by updating teams and processes in line with the latest requirements
